Dear Ms Khalid,

RE: ENFORCEMENT NOTICE – PRESTON NEW ROAD, NORTH SIDE OF A583, APPROXIMATELY 5KM WEST OF KIRKHAM AND 7KM EAST OF BLACKPOOL – REF: LSG4/894_20104

I write on behalf of Cuadrilla Bowland Limited (“the Company”) in response to the Enforcement Notice issued by Lancashire County Council (“the Council”) dated 3 June 2026, ref LSG4/894_20104 (“the Notice”), and the Council’s letter dated 30th June 2026 relating to land at Preston New Road located on the north side of the A583 (“the Land”). The Notice takes effect on 8 July 2026.

The Company acknowledges the Council’s amendment of the periods for requirements (ii) and (iii) of the Notice, so that those requirements are set to be completed by 30th June 2027. The Company is working towards those completion dates, which are now agreed.

However, the period specified for requirement (i) of the Notice remains too short. Completion of requirement (i) by 8th November 2026 is not achievable once allowance is made for procurement, mobilisation and the practical sequencing of works.

The Company therefore requests that the period for Notice requirement (i) is amended so that all site remediation and restoration works are to be completed by 30th June 2027.

Unless the Council is able to confirm that amendment, the Company intends to submit an appeal on 3rd July 2026 seeking variation of the compliance period for requirement (i) accordingly.

We look forward to your consideration of and response to this letter.

Yours sincerely,

For and on behalf of Cuadrilla Bowland Limited
